If you have any dietary requirements, we will be pleased to accommodate your wishes and provide a suitable menu. If after reading through the enclosed menus you wish to speak to our Menu Co-ordinator, we will be pleased to work with you to design the most suitable buffet for your particular occasion and to accommodate your preferences and budget.

If you require staff on-site to serve and ensure the smooth running of the event our waitress service is available at £19.00 per hour per waitress (service available for numbers in excess of 30 people).

Minimum Orders

To aid the cost effectiveness of our business it has become necessary for us to apply a minimum order on numbers for each buffet. In most cases this is 30 people unless stated otherwise on the menu. Below minimum orders can be accepted but it may be necessary to apply a small delivery charge.

Notice Required/ Late Bookings

To ensure that we can accept your booking and to be able to accommodate your selected delivery time we advise that you give us as much notice as possible. We will always try to accommodate late bookings i.e. less than 7 days notice but heavy workloads may have an affect on the time we can deliver the buffet.

On placing your order, a small deposit will be required in order to secure the booking. The balance can be paid at any time but must be settled at least 6 weeks prior to the event. Payment can be made by cash, cheque (please allow 7 working days for clearance) or bank transfer.

In a situation where the booking has been paid for in full the following will apply:

More than 60 days before the event – a refund less the deposit will be made

14- 60 days before the event – 50% refund will be made

14 days or less before the event – no refund is due however depending on the reason for the cancellation it will be at our discretion to make a partial refund.

Complaints Procedure

If you encounter any problems with an order, no matter how small, please notify our office immediately on receipt of the buffet and we will do everything possible to rectify the situation straight away. All feedback from our customers is acted upon and very much appreciated.

Delivery/ Collection Procedures

We recommend that delivery of the buffet is planned for at least 30 minutes prior to your guests arriving. The food will be delivered and laid out – please ensure that sufficient tables are available to accommodate the food. If required, at a small extra charge, the buffet tables can be lined with disposable banquet roll.

A fluorescent label containing information regarding the time your buffet was despatched and the time the food must be consumed by will accompany your order. Food must be consumed within 4 hours of the despatch time unless it is being kept under the correct refrigerated conditions.

The collection of all platters, baskets etc will be undertaken over the next two days at a time to suit. Please ensure that all the equipment including all foil platters and baskets are ready for collection – any missing or damaged items will be charged for at the full replacement cost. If the items are not available for collection at the arranged time the customer will need to make arrangements for the equipment to be returned to us as soon as possible.
